So, Lions club are for Women too?

Yes, Women have been serving Lions Clubs for years, In fact women are the single fastest growing membership segment of Lions Clubs International.

What is the commitment?

We hold meetings twice a month to plan projects and conduct business, in addition to service project events and fundraisers.

The great thing about Lion's is each Lion contributes what they can!!

Are there opportunities for my family?

Many of our events are family oriented and we encourage family participation.
