## WHY JOIN US?

Lions are friends, family and neighbours who share a core belief:  
Community is what you make it.

As a Lion, you have the opportunity to help others, meet new people and use your talents to make a real impact in your community.

You will acquire new skills, meet challenges head on, cultivate lasting friendships, grow personally and have fun at the same time!

**Lions** are volunteers that give their time to humanitarian causes in their local and world communities.

By conducting service projects and raising funds, Lions strive to help those in need, wherever it exists.

The Lions' motto is "**WE SERVE**"

In addition, Lions participate in service activities emphasizing (among others) sight, diabetes awareness, work with the physically and mentally challenged, environmental issues, community welfare, and youth.

## What is the commitment?

We hold meetings twice a month to plan projects and conduct business, in addition to service project events and fundraisers.

The great thing about Lion's is each Lion contributes what they can!!

## Are there opportunities for my family?

Many of our events are family oriented and we encourage family participation.
